This filter allows for you to see different mill certificates based on the filter / parameters you select [4]: certificate number, year, heat numbers, various tube characteristics and so on. By clicking Ordering list [5] you may specify some parameter for sorting the selected documents.

The selected document(s) can be seen by clicking the button Document [7]. (Foxit Reader allows you to save or print PDF files). The selected item(s) (documents) can be send by e-mail [9] to possible users. To select all items from the list simply click on the button  $\checkmark\checkmark\checkmark$  [10].
